PREVIOUS EMPLOYMENT

Software Engineering Work Experience - Coolcare

July 2019 to August 2019

For a week I learned about the design principles, project management methodologies and tech stack that went into the software produced at Coolcare, I attended meetings concerning the future of the software and shadowed different software engineers over the week to gain an insight into how software is developed in a working environment.

Sales Specialist - SONY

September 2018 to March 2019

In a Curry's PC World store I represented SONY in the vision department, using a variety of sales techniques to increase sales of SONY products across the store, but focusing on televisions, sounds bars and 4K Blu-ray players. I held a strong sales presence achieving top 3 in the region in my first quarter.

EDUCATION

University of Warwick

September 2019 to Present

I am currently studying for an MMathPhys degree in Mathematics and Physics.

Brighouse High School Sixth Form

September 2017 to May 2019

Attained A levels:

- Mathematics - A*
- Further Mathematics - A
- Physics - A
- Computer Science - A

While at Sixth form, I also participated in various Challenges and Olympiads such as the British Mathematics Olympiad, British Physics Olympiad, Cyber Discovery and the National Cipher Challenge.

Brighouse High School

September 2012 to May 2017

I attained 5A*, 4A and 1B grade at GCSE, including A* in English and Mathematics.
